Re: Heartland Resurgence (C00544551) - Response to Requests for Additional
Information Regarding Post-General & Year-End Reports

Dear Mr. Jones:

This correspondence issues on behalf of Heartland Resurgence (Committee Identification Number C00544551) and its Treasurer, Mr. Aaron Willard, in response to your Requests for Additional Information (RFAI) dated March 29, 2015.

As indicated in your letters, it appears that the Post-General and Year-End Reports filed by Mr. Willard on behalf of Heartland Resurgence contained some inadvertent errors in their detailed summary pages. Specifically, it appears that a handful of entries in the summary pages of those Reports were erroneously left blank. These technical deficiencies on the Line 8, Column A entries of the Post-General and Year-End Reports, and the Line 21, Column B entries of the Year-End Report, were wholly unintentional and the result of an oversight by Mr. Willard on Heartland Resurgence's disclosure.

In an effort to swiftly address these errors, Heartland Resurgence has amended both its Post-General and Year-End Reports and corrected the financial information contained therein. The committee's Amended Post-General and Year-End Reports are included as attachments to this letter and should resolve any outstanding questions regarding the original disclosures. Please accept these amended filings for processing and posting on the Federal Election Commission (FEC) website. Please also note that both Amended Reports reflect a change in committee address for Heartland Resurgence, which has likewise been formally submitted to the FEC via an Amended Statement of Organization included with this overnight delivery packet.
